# About NEW (servant) Leadership, Change and Innovation

Inspired by: Barack Obama, John Kotter, Marshall Goldsmith, Lars Kolind, Scott Williams, Liz Wiseman, Tony Hsieh, Bill George, Jeff Weiner, Daniel Goleman, Sir Richard Branson, Simon Sinek, Daniel Pink, Marga Hoek, Jan Rotmans, Jaap Boonstra, Gijs van Wulfen, Bas Blekkingh, Edwin Korver and - last but not least - Wim Leereveld. I consider these people as NEW (servant) leaders, since new leaders are looking at the horizon, managers are looking at the bottomline. That is old skool!
